

Joint Replacement Class at Bon Secours DePaul Medical Center

Our goal is to prepare you and your family members on what to expect before surgery, during your hospital stay and after discharge. Those attending will meet with a nurse, case manager, physical therapist and respiratory therapist.

Your physician requires you to attend this program in preparation for your upcoming hospital and joint replacement experience.

The course will discuss:

- The pre-admission process
- Preoperative instructions
- Anesthesia
- Postoperative care
- Medications
- Physical and occupational therapy
- Discharge plans
