Several Login Methods exist. We recommend creating an FMH username and password, and using your EMAIL address as your username.

Register - Mozilla Firefox

https://secure.followmyhealth.com/Account/Register?returnUrl=%2FOpenId%2FProcessAuthRequest

Create Your FMH Secure Login

Already have a FMH Secure Account? [Click Here to log in](#)

Create Your Username
Username must begin with a letter and may not contain spaces or special characters

Create Your Password
Password should be at least 8 characters in length, and include at least one numeric and one special character, such as: !@#\$%^&*-(

Confirm Password

Enter your valid email address below. This is where we will send future communications regarding your FMH Secure Login account, including resetting forgotten passwords.

Email

Confirm Email

Choose a username – something you’ll remember. You don’t have to use your Email address, but it is highly encouraged that you do for the username. Then, type and confirm your password choice. Please be mindful of the complexity requirements. For your protection, FMH requires that your password be at least 8 characters long, include at least one number, and on special character.

After creating your username and password, you will log in for the first time. While the next steps are all important in their own right, STEP 3 is vital to successfully connecting.

As noted in your welcome Email. The invitation code is your four digit birth year.

*This is only different in the case of setting up a proxy account. The invitation Email will tell you what code to use.

You're in! We ask that the first thing you do when you connect successfully is go to your inbox and send a test message to any of your providers.

The screenshot shows a web browser window displaying the patient portal for Atlantic Orthopaedic Specialists. The browser's address bar shows the URL: <https://atlanticortho.followmyhealth.com/patientaccess#/Home>. The page header includes the organization's logo, navigation links for "Schedule an Appointment", "Hello John", "My Account", and "Español", and a disclaimer: "This portal is not intended for emergencies. If you require urgent medical care, call...". The main navigation bar contains "Home", "Inbox (2)", "My Health", and "My Info".

The "Health Summary" section displays a placeholder for a profile picture and the following information:

Age	40
Gender	Male

The "Appointments" section features a search bar, "Request" and "Export" buttons, and tabs for "Upcoming", "Past", and "Other". A message states: "You have no upcoming appointments."

The "Action Center" lists four items:

- You have 2 unread emails in your mailbox.
- Your health record contains new clinical items.
- You haven't set your address in your contact information.
- You haven't completed the first time walkthrough.

The "Recent Activity" section shows two events:

- You connected your health record to Atlantic Orthopaedic Specialists (1 minute ago)
- You joined FollowMyHealth™ (1 minute ago)

A "First Time Walkthrough" modal dialog is open, asking: "Would you like to watch a walkthrough video to learn how to use FollowMyHealth Universal Health Record? You can access this video and more useful tips by clicking 'My Account' and choosing 'Support'." The dialog has "Ok" and "Maybe Later" buttons.

Request Connections to Healthcare Organizations

Requesting a connection informs your healthcare provider that you would like your medical information to be made available online through FollowMyHealth.

If your healthcare provider is a participant in FollowMyHealth, they will display in the search results below. Use the Search Box to locate available connections by entering your zip code, provider, or healthcare organization. (We have started the process for you by entering your zip code.)

To use FollowMyHealth without adding connections, please click the "Skip This Step" button.

Please note that response times to your connection requests may vary by organizations or providers.

That's it. Your connection request will be queued with Atlantic Orthopaedic Specialists. As long as you have already been seen in the office, we will have no trouble matching your request to your medical chart.

Your Connection Request is Pending ✖

Way to go! Your request has been sent to Atlantic Orthopaedic Specialists. You may be contacted for further proof of identity. This is so only you and approved individuals have access to your private information.

You'll receive an email once your health information is ready for you to view. (You'll need to sign out and back in to see your data once you receive this email. Find this under "My Account" in the upper right.) Until then, feel free to explore the features of your FollowMyHealth account. We're glad you're here!
